Where is the evidence that he  
was actually in Calcutta? Do  
report in B folder P# 53 only  
shows that the restricted reported  
himself to I.N.A. Relief Committee  
Centre at 131 Bowbazar St but where  
is the proof of it. The I.O. has  
not seen him. To prove that he  
violated the orders is also  
to prove first that he was here &  
then he did not report to SCSS. Is  
there any entry in I.N.A. Relief Centre

but it is a general appeal to all my Indian brethren having influence and status. When I was being held up in Singapore without job and without money I made similar appeals individually to Mr. Nehru, Sir J. B. Sapru, Raja Keshel Pal Singh of Kotla, Seth Rama Krishna Salmia, Mrs Lalawati Mamsi and Babu Rajendra Prasad. The last-named gentleman alone had the courtesy of replying then, asking me to let him know as soon as I got back to India. Soon after my arrival I wrote to him, but no response has been forthcoming.

I made appeals recently to Mr. Amijanath Bose and also to Br. Syama Prasad Mukherjee. No response still. I can understand the position in regard to Br. Mukherjee, as he is ill.

Now I am making an appeal to you, as the head of India's only National organisation, to be good enough to communicate with the Mahatma and some of the others and do me what you can to solve my problem as set forth in my appeals to them. It will be the godliest act one man in position can do to a fellowman who is down on his luck, and I shall be eternally grateful.

Here, I have been staying for about a month on the generosity of a friend, a working man. I do not wish to tax him longer and so am going to Bombay shortly where again I shall fall upon the generosity of another for my stay. Please be good enough to following address in Bombay.

Bowbazar P.O. on 29-6-46.

From T.B. Mavay, Anand Bhawan Room No 2, 95 Central

Anand Bhawan, Room No 2  
95 Central Avenue, Calcutta.

Dear Sir,

I am a stranger taking the liberty of writing  
to you, and I beg pardon for it. For the past  
15 years I was in Singapore. I worked there as  
vice-principal of a leading Commercial Institution  
for ten years from January 1931. During the Japanese  
occupation I was chief of the News Section,  
Central Broadcasting station, Singapore, doing  
anti-British propaganda in the Cause of India  
and Asia. For this reason, British establishments,  
after reoccupation, rejected my services as taboo.  
And every place worth trying for a job was under  
British Control.

I therefore applied for permit to  
come back to India. The Security Police held up  
my application for months, put me through a  
number of interrogations, and at long last, allowed  
me to return to India as a repatriate. In May  
I disembarked at Vizag, went to Madras and  
had a brief stay there, and then came to Calcutta.

My principal aim now has been set  
forth in an appeal  
early this month.

Yours  
T.B. Mavay

NR. 18879

1.7.46.

At the reception (600) which was organised on 29.6.46 by the residents of Ward XXI and under the auspices of the Jyotish Smriti Mandir (incompletely identified), at the Puṣṭāpukur Institution Hall, 44, Lansdowne Road with Mrs. HELAPROVA HAZUELA as president and Mrs. BELA MITRA, the Chief guest. Mrs. MITRA characterised the Cabinet Mission's proposals as mere hoax designed to suppress the popular awakening. The President wanted A.C. CHATARJI to give them a lead in the impending famine and warned the people against being deceived by the trick of the British Government. A.C. CHATARJI advised the youths to unite forgetting their differences, believe each other, work for the removal of illiteracy and the needs of the masses and also get ready for sacrifice from now to avoid the repetition of the tragedy of 1943.

A portrait of SUBHAS CHANDRA BASU decorated with flowers was displayed. About 50 boys and girls, were also present in white dress with Gandhi caps on and accompanied by a band party. Some collections were made on behalf of the I.N.A. and A.C. CHATARJI was presented with a purse of Rs.1001/- for their relief.

No.9. Md.Merja Ali - He was a Lieutenant in the I.N.A. but an ordinary man in the old British Indian Army, he betrayed the cause of I.N.A. and joined the F.S.S. and F.I.U. of the British Military Kuala Lumpur (Malaya). He cause a lot of troubles to I.N.A. personal and effect their arrest. He tortured the people to pay him money and have collected more than Eight Thousand Dollars before he started for India.

No.10, Mr.K.P.K. Menon - He is a Barrister in Singapore and Chief advocate for Communism and anti Netaji propaganda and secret brain in the organisation of the Present Mohan Singh Movement. He was in charge of propaganda when the first I.N.A. was formed and personal adviser to Capt.Mohan Singh (G.O.C. of the first I.N.A.) He used to manipulate a huge sum for I.N.A. movement along with Capt. Mohan Singh, later on he was put under arrest by the order of Rash Behari Bose for various reasons of insincerety atrocity and mal-propaganda. He was under detention until he was freed from Jail by the British reoccupation troops. This man is a great danger to Indians in Malaya as well as in India and always capable of striving injuriously to the cause of National glory and freedom. He acts for money for the sake of money without much counting what may be outcome or direction or nature of case may be.

connection to Special training Camp, he was Secretary in charge of Education and Culture in I.I.L. Rangoon.

He was a brain in Asman Khan's party in Burma which was not connected to Netaji Bose. He is a pillar of the Mohan Singh party is now being formed in Malaya and in India by all the person who are against the Independence of India for Indians and deadly against the Netaji S.C. Bose. He was from the stage of war destitute rose through, by the gracious help of Netaji to his best dignity at Penang but he is the most hypocrat anti nationalist anti unity amongs Indians and against the success of the Azad Hind and I.I.L. Movement in his heart. In the East Asia he is a monument of his self styled revolution which has no meaning to others and to India. He is one of the plot makers against the life of Netaji and his movement. He is a stouch (supporter) of Sikh Empire of Captain Mohan Singh (G.O.C. of the first I.N.A.) and anti Netaji Muslim party headed by person like Amir Khan.

No.7. Capt. Mohan Singh - A great founder of would be Sikh Raj in India and the founder of the first I.N.A. in East Asia. He was the most IDIOT ever known in Indian Independence movement, a self styled general, an arrogant, a lover of power, money and so on. He did not hesitate to frustrate the cause of Independence of India for his sake, for his name fame, happiness and power. He is said to be IDOL of the Mohan Singh, movement. He betrayed the British Indian prisoner of WAR in disguise of patriotism and for which he was rewarded much. His patriotism could be judged in the way he set free now and heading in the Mohan Singh organisation and from its followers.

No.8. Capt. B.S. Sangha - He was in a British Indian Army (in 14th Punjab) and volunteered for the special services. He was a Lt. Col. of I.N.A. and one of the important member of Asman Khan's party. He was a cadet in the SWARAJ INSTITUTE, Penang and an informer to Capt Mohan Singh (Then G.O.C. of the first I.N.A.) He was a trainer and Commandant of the Special training Camp, at Tanjong Bunga Penang, under Shri N.K. Banerji of whose he was a most entrusted man, disciple and good son. Now he is, though his love for country and patriotism were so high, has been promoted to Major ship in the British Army of reoccupation and attached to the field INVESTIGATION unit at Kuala Lumpur (Malaya). He had a special relation with Shri N.K. Banerjee director of the Azad School, Penang etc., And the cadets in the Tanjong Bunga Camp majority of whom have joined the British reoccupation forces and formed SPY rings in the East Asia and India. He is one of the strong supporter of the Capt. Mohan Singh and his movement. He flew twice to India to act as an identifier to those who are put under arrest. He betrayed all the documents, Photographs etc. Concerning special service men to the British authority and thus he betrayed the I.N.A., I.I.L., Azad Hind Government and also his most important pledge with the Netaji. He was instrumental in sending Tanjong Bunga Camp cadets to India and other parts of East Asia. He is a sponsor and staunch supporter of the Mohan Singh movement. Tanjong Bunga Penang Camp cadets such as :- 1. Basant, 2. Ramesh, 3. Vinayak, 4. Ali Baba, 5. Akbar, 6. Rana, 7. Naranjan Singh, and others who went to India as a SPY Ring and to carry on works with the British Imperialism, other places 1 Attama Singh and Joginder Singh were sent to Burma, where as Hansraj and others were sent to Siam to cause arrest of the special service men of I.N.A. FAUZ and to connect with the advancing man like He Singh Gill others

timely and correct-precaution would be much help to the country men and organisation in India and would prevent further sabotage of the Nation and its achievements attained by the A.H.G., I.N.A. & I.I.L. under the leadership of the late RASH BEHARI BOSE and the greatest Indian leader Netaji S.C. Bose whose work in the East Asia and else where have placed India in her due position. It is certainly requested that all <sup>ai</sup> men organisations in India must be alert about those men whose names are given below, and the public of India should be made known about them :-

- No.1. Shri A.N. Sarkar - He was with deferent Ministrial Portfolios and organisation of the reconstruction department. He was also legal adviser to the AZAD HIND GOVERNMENT when it was started. He showed his poorest ability in every case and he was a false hearted as well as laughing staff. He was a great debouch in Burma and Bangkok where misuse of money took place. He betrayed the cause entrusted by Netaji when he had left last from Malaya and the British Army had reoccupied this country.
- No.2. Shri A.M. Sahay - He was a minister without portfolio and Secretary in many responsible positions. He proved himself to be an useless, ease loving man. He was a big deboch without any character but he had a great admiration for the Netaji.
- No.3. Shri N. Raghavan - An avowed leader of Malaya, the Minister in charge of Finance of the AZAD HIND GOVERNMENT and a big lawyer. He was the greatest coward, self interested and lover of power ever met in last Movement in the East Asia. He turned away from movement as soon as the danger became apparent and in spite of Netaji's repeated call he made him seldom available and never shouldered his share of responsibility and in many instances proved to be ingenuine.
- No.4. Lieut Col. I.N.A. Ehsan Quodir - He was a military representative in the Cabinet of the AZAD HIND GOVERNMENT. and he was in charge of the training and recruitment of the A.H.F. He was one of the ~~prominent man to keep Hindu-Muslim disunity alive~~ most trusted man ~~to keep Hindu-Muslim disunity alive~~ of Netaji. He was one of the prominent man to keep Hindu Muslim disunity alive though it was very much camuoflaged. He, with some more men, formed Muslim League party in Burma during the last stage of the war to prove his loyalty to the British Imperialism. He made good his escape while retreating from Burma with Netaji and party. He wanted to spot out Netaji's party on retreat ~~at~~ the British advancing troops and to save his personal interest which were however not so successful.
- No.5. Lieut Col (I.N.A.) Gilani - He was in charge of foreign affairs Department of I.I.L. rear Head-quarters. He was also Military representative and in charge of A.H.D. in A.H.G. He had a party of his own sponsored by the Japanese and whose member (12 in number) joined the British Government in the Punjab in earliest part of 1944. He had no sense of responsibility and character with dignity of ~~his~~ self- whole cause of freedom and interest and enjoyment.

This has been considered as one of the paramount duty of  
of this office of the I.N.A. Defence and Relief Committee to  
try and save the principle and prestige of the I.N.A. and the  
AZAD HIND GOVERNMENT of whose head was the Netaji. With this  
in view this office must let know organisations and persons in  
India the real identity and nature of certain people of this  
Peninsula of Malaya, who might have gone or will be going to  
India. It is definite that they will try to make a good show  
of them and improper use of the name and fame of AZAD HIND  
GOVERNMENT and the Netaji Subhas Chandra Bose to attain their  
own self motives, which as had been seen in the part from various  
activities in East Asia during the past few months, they certain-  
ly do not deserve any other appreciation than to be the biggest  
enemies to the INDIAN NATIONAL MOVEMENTS and interest also  
betrayers of the pledges which they have placed with Netaji  
and the AZAD HIND GOVERNMENT. Even in certain cases some men  
both from high and low positions in the AZAD HIND GOVERNMENT  
did positive harm to Netaji and the Azad Hind Government.  
Without further introduction, this office, so, has been

MASHRIQI is proposing to call a Conference of all the Anti-League Muslims some time in September at Delhi to organise a united front against the League.

According to DR. TAHIR many important Khaksars like Professor KARRAR HUSAIN of Meerut, DR. ISMAIL NAMI, KHAN MANZUR AHMAD KHAN, DR. RAFIQ of Aligarh University have openly revolted against ALLAMA MASHRIQI'S inconsistent policy and have not only ceased taking interest in Khaksar activities but have started opposing the present policy of ALLAMA MASHRIQI of making the Khaksars support the Anti-Muslim activities of the Congress and other Hindu parties.

On 5.7.46 at an Ijlas (8)\* of the Khaksars held at 2/A Congress Exhibition Road it was decided that some Khaksars of different areas should collect near 10, Tangra Road on 7.7.46 at about 14.00 hours and perform route marching and carry

According to MANZUR ELAHI one WALI MUHAMMAD (incompletely identified) Khaksar of Chowk Bazar, Dacca purchased a revolver from an American ~~xxx~~ at Dacca some time ago and gave it to one YUSUF (incompletely identified) of Cownpore to purchase cartridges in Calcutta. YUSUF did not return the revolver to WALI MUHAMMAD and hence WALI MUHAMMAD with one AMIN of Dacca came to Calcutta and got back his revolver from YUSUF at the intervention of ABDUR RASHID QORAIHI about 20 days ago. WALI MUHAMMAD gave the revolver to MUHAMMAD AMIN to be carried to Dacca, and while he was going with it the Jorasanko Police arrested him with it. recently. MUHAMMAD AMIN has been let out on a bail of Rs.3000/-

NOTE:- It is learnt from the local police that MUHAMMAD AMIN (son of late YAKUB MISTRY of Posta Lal Bagh Dacca) was actually arrested on 5.6.46 by two constables on suspicion of carrying an unlicensed revolver which was found true. The accused is in Court bail of Rs.3000/-

1. is reported that according to ABDUR RASHID QORAISHI there was a secret meeting between ALLAMA MASHRIQI and some leaders of the I.N.A. at Ichhra, Lahore, recently and it was decided that the Khaksar and the I.N.A. personnel should co-operate with each other in the matter of their policy and programme and in their efforts to weaken the Muslim League and other reactionary forces. ALLAMA MASHRIQI through the Khaksar organ "Al-Islah" dated 28.6.46 has ordered his followers all over India to (1) carry on extensive propaganda against the Muslim League and to support the demand for Pakistan as MR. JINNAH by giving up the demand for Pakistan for the present has betrayed the Muslims (2) find out the I.N.A. personnel and make them work with the Khaksars (3) find out suitable rich persons to give donations for the relief of the I.N.A. personnel (4) march in the streets with bands and music and teach the Muslims to raise Pakistan slogans (5) meet Congress leaders and other non-League leaders and secure their support for the formation of the All India Azad Muslim League and (6) to win over Anti-Khaksar papers even by giving them money etc.

My dear Sardarji,

Jai Hind. I greatly regret to inform you that it has not been possible to effect an amicable settlement in *Sardar Bose* the dispute that has arisen in the Bose family. *re-assured?* Boseji has been upto now very retaliable(?) and I am satisfied that he is prepared to do all that is reasonably possible to satisfy his nephews. As the latter are not willing, I have washed my hands off this matter and I have told Boseji that he is free to do now what he thinks best. I have informed him about your instructions regarding the I.N.A. men, who are still in Netaji Bhawan.

Accommodation is a very difficult problem here. He said he is going to speak to you about the matter. The matter stands at that.

One point however I would like to mention to you for your ~~service~~ serious consideration and that is this - "would it be wise to replace these men by an equal number of civilians who are not likely to maintain as good a discipline as the I.N.A. men. We have to consider this both from the point of view of the ~~men~~ nation as well as the Bose family. If anything goes wrong - if a faracas occurs or if the furniture or the house is damaged it would be harmful from every point of view. As things are at present there is no probability of such things happening from the side of the I.N.A. men. Civilian guards are likely to be different.

I trust you are in best of health. With kind regards.

Leading sympathisers of our cause that the only way in which we can collect funds from outlying Districts is to send out touring parties of very senior I.N.A. officers. According to them, there is no other method by which we can collect large sums. Public enthusiasm regarding the I.N.A., as you must realise, is dying down slowly and we have to do something about it to enable us to collect the required funds for the relief. Your name has been suggested to us by these people that if you go round with some other officers there is a great chance of our collecting funds.

It is requested that you should spare ten to fifteen days between the 15<sup>TH</sup> of July to 31<sup>ST</sup> of July. Can you please let us know by wire which time will suit you?

These tours are of vital importance for the very existence of the I.N.A. in the Punjab. As such, we expect that in spite of your very busy time you shall not refuse

his brother-in-law Mr. Huttee Singh (who had the effrontry and unbounded egotism to claim equal footing with leaders like "Nehruji" "Patel" and "Others").

(Lt Col) I. HASSAN of INA who was ordered by our 'Netaji' towards the last days not to wear INA ranks and who has now rejoined his family in Singapore, has claimed that he is Panditji's personal envoy. (This personal envoy is on the look out for a suitable job in Malaya) Astounded at this information, a cable was despatched on 14/6 to Panditji seeking confirmation. The reply is still awaited. The silence is interpreted as to mean that Mr. HASSAN's claim is justified. The selection of the relief committee, the delegation of power to Mr. Huttee Singh and the appointment of Mr. HASSAN as personal supervisory representative - all these, one following upon the other, have knocked the breath out of us and left us questioning if these are really happening.

Till now the relief committee has neither come out with a public statement of accounts nor has, to the best of our knowledge, shown any inclination to do so. It is not alleged that the committee is refusing to disgorge the money entrusted for relief, since it is publicly known that it was generous enough with a thousand dollars to swell the purse of Mr. SAHAY, already tainted with milk (the local 'gowalas' presented him a purse). And goodness knows that Ministers in Azad Hind Hukumat did not do badly especially those who drew their ministerial emoluments (like Mr. SAHAY) in Thailand.

In acquainting you the present state of affairs, I, as one of the senior officers here, with a general support behind, believe, that you will see your way to do the needful.

be packed home, and they are willing too. Thanks to the "post-war shipping facilities", the security requirements of the British, the wonderful achievements of the specimen of "our" Indian Agent coupled with the financial position of the INA lads securing passage to India has become almost as difficult as a camel passing through the eye of a needle. Besides there are sick, disabled, the R of J girls and destitutes.

The life of many of the members of the R of J Regt. in Malaya is a very sad commentary on an otherwise glorious movement. These girls voluntarily enrolled themselves from various walks of life. Their life in the movement had, generally speaking, raised their standard of life, both materially and spiritually and it is small wonder if today they do not fit in their old environments. I am sure, though it may be shocking, it is not surprising, if a handful of them are today found trading with their modesty. ~~Nothing~~ ~~is~~ ~~definite~~, had ~~relief work~~ ~~organised~~ relief been organised suitably with whatever fund at disposal, we would not have witnessed this disgrace. It is a crying need that all these girls should be assured of respectable national service in India and invited to India by responsible leaders or organisations.

There is a relief organisation in Malaya under the guidance of so-called leaders whose bonafide and sincerity are questionable. There are enough proofs to convince ourselves that it would be a misfortune for Indians if circumstances assist persons like S.C.GOHO and N.RAGHAVAN, just to take few of many names at random, to assume once again leadership in this country, who are jockeying today for popularity and position. There is an allegation against GOHO that while he was actually participating in the Indian Independence Movement and appealing to the Indian youths to sacrifice their all for their mother country and national cause, he was in secret, materially assisting the P.O.Ws and maintaining a record, legal enough to claim repayment from the British and that he is now in India to collect the Juda's wealth. All this time, it is also alleged, RAGHAVAN was hand in glove with GOHO. True Pandit Nehru entrusted the relief work to a committee comprising of RAGHAVAN and others and left behind his

Jai Hind,

I received your kind letter of 17/12/45 but a reply from me at that time would have just added to swell your mail and nothing more. Now that there is a necessity as the following will bear testimony, I am availing myself of the chance to address you directly. In my letter to Sjt. Amiya Bose, some time in early May, I had let myself go freely on people and things and relieved myself of great mental strain.

Now the strain is there alright. I confine myself to facts and facts alone.

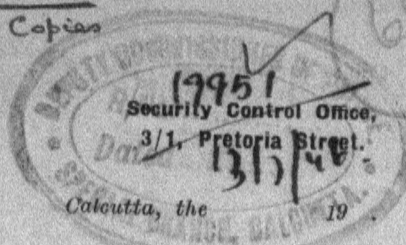

Of the total strength of 43000 men of the INA (official figure) excluding the Rani of Jhansi Regiment of course, the majority are still in Malaya and a few in Burma and Thailand. A good many of these people are neither fortunate nor happy to go back to their old employments for the obvious reason that their white employers have no sympathy for INA and the government is slowly but steadily weeding out the INA personnel other than the labourers from employment. The shortage of labour in Malaya is the reason for the attitude of tolerance to the labourers. As for the educated men of the INA, they had been keeping away from serving the whites but out of sheer economic necessity they swallowed their sense of pride and accepted employment with the British Military and Government. After investigation, they are in the gradual process of being thrown out of employment one by one. The Indian Commercial concerns are not so wide and comprehensive as to absorb the entire INA personnel and there are grounds to believe that they are not playing their part either. Logically it is obvious that there are INA personnel ~~with~~ who really need relief in Malaya, alternately they can be

 Tamil, she knows Hindustani, Telugu

 is particularly interested in social work, in  
 which line she has an experience of nearly 3  
 years. She needs at least a remuneration  
 of Rs 300 in India in order to maintain her family.  
 I shall deem it a great favour if you can  
 kindly find a suitable avenue for her anywhere  
 in India either directly or through your friends.  
 I am anxious to help her. Kindly reply early.  
 I hope you and your family are in the best

Copy of report of a B.I.O. dated 22.6.46.

Restriction order was served on Babu Nitya Gopal Das s/o Late Kishori Mohan Das of Dhalghat, P.S. Patiya, Chittagong, on 17.5.46. Even while under restriction he was in the habit of roaming hither and thither seeing I.N.A. personnels Babu Sushil Khastagir, Baby Sudhangshu Kanjilal, Babu Birendra Kishore Das of Habilashdvp etc. While he happened to be at home, he used to attend the Dhalghat Physical Culture Club in front of the Joykali Bari, giving occasional lectures on I.N.A. creed to the members of the club.

On a certain day in the last week approximately on 10th or 11th June /46, he left home leaving no fixed address, without giving any information to the local P.S. though the restriction order on him has not yet been withdrawn. His widow sister says that he might have gone to Calcutta. Watch was maintained to see if he returned in the meantime but he has not yet returned home.

Presumably he has gone to Calcutta to attend the Balak Brigade Office in the Bow Bazar Guinea House as he intended.

CONTENTS.

MY dear John,

Your letter of the 25th: June is at hand. I was overjoyed to receive your kind note after a month. Still trying for a job in the Corporation. Actually according to your advice I will stick to one job, but dear John I must have a suitable job so that I can stick to that. I am still with Hindustan Corporation in the Accts. Department. You will be glad to know that I am very much liked by the Departmental supervisor for my good work. I, too, work very hard. It is a good office no doubt but pay very little and very little chance to earn much. If I get a better appointment then only will I go.

Last time when I met your brother he told me that you may join Hindustan Corporation. It will be nice indeed, and you will be able to draw handsome as they pay good amount to officer grade.

I am very happy to know that you will be here by 20th: of this month. It will be nice to meet after 2 1/2 years. My mother is better now. I had to spend a lot for my mother's illness.

Anyway I am waiting for the day I shall meet you again. It is now 4.30 P.M. No more work to do now. I will leave office at 5.15 P.M. and drop this letter at Bowbazar P.O. so that you may get this in time.

I always remember you and your kind affection. I think you will surely come before the end of this month. I will be eagerly waiting for your kind note.

With best regards to you,

Yours

AD/- BIREN.

P.S.

I think you will have to give me some more money by the end of this month. But I won't ask you unless I need them badly. I am

am only troubling you since I met you. I hope you will not be annoyed with me. I always pray to God for your prosperity. I never forget you in my prayers too. At my leisure hour, I always think of you. What happened to KHUMBHAI actually? I am eager to see him once. He was a nice boy indeed. So, dear John, let me stop here with my best wishes to you,

BIREN.

the Bombay Session, the Bloc High Command received a letter from General MOHAN SINGH (incompletely identified) of the I.N.A. requesting that he might be admitted as a member of the Bloc. The Muhammadan Officers of the I.N.A. opposed this on the ground that MOHAN SINGH, so they accused, oppressed the Muslim prisoners of war at the time he endeavoured to form the I.N.A. Considering that the Muslim I.N.A. personnel including officers might create trouble and eventually turn hostile to the Bloc, the Bloc High Command did not accept MOHAN SINGH as a member of the Bloc. In the I.N.A. in Bengal there is a cleavage between MOHAN SINGH'S supporters and those of SHAH NAWAZ KHAN.

NOTE: -The "Swadhinata" dated 25-7-46 reports the General MOHAN SINGH founder of the first I.N.A. has joined the C.S.P. and that he and JAI PR. KASH NARAYAN will tour the Punjab shortly.

25-7-46 ARABIND. BASU is credited with the information that during the meeting of the Forward Bloc Working Committee held last month in Bombay an I.N.A. Officer named ISHANI KADER (incompletely identified) who was present at the meeting, declared himself as a ~~xxx~~ member of the Forward Bloc. Commenting on this, the Forward Bloc leaders pointed out that the I.N.A. must keep its separate entity and its personnel should not be merged in the Forward Bloc. Shortly before

Dear Col. Habibur Rahman,

Thanks very much for your letter dated 15.6.46  
in reply to mine written from Behradun.  
I am here these days in connection with the  
Compilation of the Memorial Volume NETAJI  
to be printed at the Modern Review Press  
here. It will take some more time to come  
out. As you are aware almost all the  
big personalities both in political & social  
sphere of our country being the contributors  
of articles for this book it has to take  
some time more than expected. It would  
have been a great day for me to have  
met you and gathered something for  
this valuable volume. We will meet  
some day. In the mean time could you  
give me an article short or long from  
your pen for this book, you may write  
anything you like and I shall remain  
grateful if you would kindly do so.  
I have also been assured of articles  
by some of your friends in the Top ranks  
of I.N.A. you can take a full month

Dear Sir,

You must have heard about the Azad Hind postage stamps printed in Germany for use in Free India-a complete set consists of nine values.

The reply is still awaited. The silence is interpreted as to mean that Mr. HASSAN's claim is justified. The selection of the relief committee, the delegation of power to Mr. Mattee Singh and the appointment of Mr. HASSAN as personal supervisory representative - all these, one following upon the other, have knocked the breath out of us and left us questioning if these are really happening.

Till now the relief committee has neither come out with a public statement of accounts nor has, to the best of our knowledge, shown any inclination to do so. It is not alleged that the committee is refusing to disgorge the money entrusted for relief, since it is publicly known that it was generous enough with a thousand dollars to swell the purse of Mr. SAHAY, already tainted with milk (the local 'gowalas' presented him a purse). And goodness knows that Ministers in Azad Hind Mahazat did not do badly especially those who drew their ministerial emoluments (like Mr. SAHAY) in Thailand.

In acquainting you the present state of affairs, I, as one of the senior officers here, with a general support behind, believe, that you will see your way to do the needful.

Jai Hind.

Dear Sunil,  
Jai Hind,

This is my third letter after receiving yours one. Anyway I wrote to you in every letters that kindly inform me whether you will come to Rangoon or not. But I am sorry to say that you have not replied to my question. If there is scope for us to work inside India, kindly inform me and I shall come over there. My desire is, that I must go and work for the cause to my ability.

Please don't forget to answer the following:- (1) Whether our peoples are getting any training or not. Our I.N.A.R.C. taking active methods or not. You know all my story and there is nothing which I can hide from you. If I come to India, I shall have to do all that I can for my parent and all but at the same time, I have to look after for the cause and do my share and fulfil my promise as I have given to Netaji. Sj. Sarat Chandra Bose arrived here with his son Sj. Sisir Bose and his Secretary Sj. Bhimani. They are staying with Sri, Dinanath at Wisara Rd., you will not be surprised if I say that all the big shots i.e. those who was "Sokosan" in our Govt. are very busy now. Sri Jora Singh is seems to be very busy now by going with him almost every places. Anyway there is a vast change in Rangoon since Sj. Sarat Bose came to Rangoon, but I doubt this will continue for a long time. My best respect and love to you. Kindly convey my best wishes to all known and unknown friends there. I am well. Hope to hear the same from you.

WEARING OF S.C. BOSE BADGES by the I.N.A.

-----

For a long time, various badges bearing the portraits of Gandhi, Nehru, S.C. Bose and the Indian National Flag were on sale in Singapore, and are worn by some Indian Nationalists as a mark of loyalty to the leaders and country. During pre-war days these badges were sold vigorously during the birthday celebrations of Mahatma Gandhi and Pandit Nehru, allegedly for collection of funds for some national cause. The badges were imported from India then by some Indian firms.

During the Japanese occupation the sale of these badges became more pronounced and the new Indian leaders compelled all the Indians to wear the badge bearing the Indian National flag to show that he was a member of the Indian Independence League. So they started to manufacture them locally in large numbers.

After the arrival of Subhas Chandra Bose in 1943 the badge of Subhas Chandra Bose was largely used by the I.N.A. recruits and civilians attached to the I.I.L. Headquarters as a mark of loyalty to him.

The surrender of the Japanese and the reported death of Subhas Chandra Bose gave a fresh impetus to the sale of these badges especially that of Subhas Chandra Bose to keep up the national spirit alive amongst the local Indians, by the remnants of the I.N.A. Further a large number of the British Indian occupation troops were also attracted towards these badges by the local I.N.A. remnants offering them free in the beginning and later on payment. The surrendered I.N.A. personnel took a great pride in wearing a badge of S.C. Bose always wherever they went.

In their detention camps also the ex-I.N.A. did not discard them though at times the British officers and sentries resented the wearing of these badges by the I.N.A. detainees.

Most of the I.N.A. repatriates had the badge of S.C. Bose when they left Singapore for India.

A short note on Mati Lal Bhaumik s/o Umesh Chandra of  
Bee Bhag, Patulla, Dacca and of Narainganj town, Dacca.

Mati Lal Bhaumik was born about 1920. He first came to the notice of this Department as a member of the Dacca Srisangha in 1934. In August, 1934, while he was under surveillance at home, he left for Malaya with his brother Amulya Chandra Bhaumik who was a conductor in Jeram Padang Rubber Estate in Malaya. Mati Lal Bhaumik also secured employment as a con in the same rubber estate.

In 1943, he joined the Indian Independence League at Mahna, Malaya. Shortly afterwards, at the instance of Dr. Sudhirananda Ray and D.K. Mazumdar, two notorious J.I.F.s, he underwent a course of training as an interpreter in the Japanese language at Port Bickson to assist the invading Japanese forces in Bengal. On completion of this training Mati Lal Bhaumik left for Singapore where he graduated from the Civil Administrators' College of the Azad Hind Government. During the Imphal operations, he went up to Meish as a group leader of the Azad Hind Dal under Lt. Col. Ehsan Qader. It appeared from an intercept in June, 1946, that Matilal Bhaumik was a prisoner in the Kuala Lumpur Jail, Malaya.

No. 8701-DDSB

24/5/46 Criminal Investigation Department, P.B.

Dated. 15/8/46.

My dear <sup>21</sup> Mr. Bhattacharji.

Please see the extracts from your Weekly Security Summary sent with your Memo No. P.M. 872 - 46 C III of 29.7.46.

2. Ashani Kader mentioned in <sup>para</sup> 587 is Colonel Ansan Qadir of the INA who remained attached to Bose's Provisional Government as Minister in charge of Man Power. Some information received by us recently shows that he has joined the Forward Bloc, a meeting of which he attended in Lahore on 27.7.46. In this meeting he advocated the use of the INA by the Forward Bloc and remarked that a move in this direction should be made at once because the INA men were becoming demoralised under Congress exploitation. Ansan Qadir is lethargic by habit and we think that it will be difficult for him to work his way to distinction in the political field without unqualified external help. Sometimes he does, however, make a spasmodic effort to look for a niche for himself among political leaders. While at Bombay he has also been making efforts through a son of late Bhola Shai Desai to get some lucrative job for himself.

3. 'Genl' Mohan Singh who has been mentioned by you as incompletely identified is the G.O.C. who raised the 1st INA. He is son of Tara Singh of village Ugoke, District Sialkot and is at present putting up in Kasauli. The information that he approached the Forward Bloc for admission does not appear to be correct. Besides being personally antagonistic to Subhash Bose, he has no affinity for the officers of the 2nd INA. In July it was publicly stated that he had joined the C.S.P. whereafter he accompanied Jai Parkash Narain in a part of the latter's tour. Later on however, he denied that he had formally joined the C.S.P. He is a revolutionary nationalist but is also a staunch Sikh; though prepared to organise the Sikhs to fight side by side with C.S.P. forces for independence he is not likely to agree to measures designed to jeopardise the entity of his community. He is at present in straitened pecuniary circumstances and is avaricious for an All India position in

Principal

leadership and is considered to have given up Jai  
Parkash Narain's company in the Punjab as he felt *himself*  
receding into insignificance vis-a-vis the ovations  
given to Jai Parkash Narain. ~~in the Punjab~~

Yours sincerely,

ASSESSMENT OF PRESENT ATTITUDE.

5. D/387 is more of an opportunist than a real nationalist as he would like to lead one to believe. He is full of self admiration and vanity, is fully subverted and thoroughly imbued with INA ideals.

CONCLUSION

6. D/387 is well-educated. He is an opportunist adventurer who agreed to work for the Japanese as an Announcer and News-writer at the SINGAPORE Broadcasting Station in Dec. 42. His ambition, later led him to join the INA which promised him officer-cadetship straightaway. He has put in 1½ years' commissioned service in the INA and is now thoroughly subverted.

At present he appears to be more concerned about his employment and under interrogation very cleverly tried to evade answering questions having any bearing on his political outlook. It is considered that his inherent and acquired revolutionary tendencies though latent to the casual observer, are strongly imbedded in him and he would, therefore, constitute a danger to security when he finds an opportunity to be so. Accordingly, it is recommended that D/387 should be categorised "BLACK".

Respected Sir,

Respected Sir, I most humbly beg to state that I was a seaman in the Indian National Army with no. 1520. Now I am keeping quiet at our army camp. As I had to receive my pay for returning to Burma from Malaya. After reaching to battle field, my pay had stopped and I was not given any job. So - returned to Malaya once again, it is - impossible for the present difficulties in the sea journey. My member is still staying at Malaya who wrote me a letter stating his difficulties there. Major Misra was on charge of the I.N.A. operations in Arakan. On 14.2.44 Serajul Islam accompanied a reconnaissance patrol party to a village Pirkhali, where he took note of some Indian Army dispositions. He reported the information to Major Misra on return. On receipt of that information the Japanese sent an armed patrol to liquidate the Allied positions. On 18.2.44 Serajul was given some propaganda pamphlets by Major Misra, written in Urdu and Gurmukhi, for passing on to the Headman of Pirkhali for distribution among the Indian troops of the Allied Army. Some money was given in advance as a reward for the Headman. Serajul was asked to circulate the villagers that more money would be given to them if such pamphlets were passed on to the sepoys of the Indian Army. As instructed he made over the pamphlets to the Headman and was resting for a while in the village. A little later, a villager with 2 Indian sepoys appeared there and arrested him. He was then handed over to a British Post. During interrogation, he tried to pose as a civilian.

The Military report that he does not regret having joined the I.N.A. and is "very badly infected".

✓  
A note on Serajul Islam Khandker s/o Abdul Rahim Khandker of Algi, P.S. Bhola, Dt. Bakarganj. (Born about 1922).

Serajul Islam Khonder comes of a lower middle class family of Algi, P.S. Bhola, Dt. Barisal. He is unmarried. He read up to the 9th class in the Govt. High School, Bhola. In June 1941 he joined the R.I.A.S.C. in Calcutta, as a store Division sepoy and a few days later he was promoted to Lance/Naik. On the 17th December, 1941 he left for Singapore, along with 45 Inf. Bde Tpt Coy. On the 15th February, 1942 he surrendered at the fall of Singapore to the Japanese.

Serajul Islam was made a prisoner-of-war and was kept in the Bidadari P.O.W. Camp and then in the Tyersall Park Camp in Singapore. There he heard propaganda lectures given by high I.N.A. Officers such as Lt. Col. A.C. Chatarji and others. At the end of April 1942, he was transferred to Kuala Lumpur and was detained there for about 11 months. There also the prisoners were subjected to propaganda for joining the I.N.A. According to his own statement Serajul Islam volunteered for the I.N.A. in July 1942, partly as a result of this propaganda and partly for security better conditions. In September 1942, he along with his O.C. 'Major' Malik Fateh Khan of the I.N.A. and staff discarded the I.N.A. badges, and wore the Congress tri-colour on their right breast, on account of a split in the I.N.A. In Nov '42 Serajul Islam re-joined the new I.N.A. which was re-organised by Rash Behari Bose, as the Head of the East India Independence League Committee. In March 1943, he along with other I.N.A. volunteers was called to the I.N.A. Head Quarters at Singapore. He was posted to the Intelligence Group of the I.N.A. The members of the Intelligence Branch were taught to move in disguise in the forward areas, to collect information about British dispositions and if necessary to go out with the fighting patrols. Serajul Islam heard there propaganda lectures, given by Subhas Chandra Bose, Lt. Col. Alagappan and others.

On 27.8.43 Serajul Islam left Singapore in a party and reached Butterworth the next day. There he heard propaganda lectures by Subhas Chandra Bose who gave each member of the party, including Serajul Islam, Rs 5/- He reached Rangoon on 17.9.43, and was accommodated in the Mingladon barracks. There also he heard propaganda lectures, given by high I.N.A. officers including Lt. Col. Alagappan and Major Ram Sarup. Their training in Rangoon was more or less the same as in Singapore except that it was more live training in front line fighting. At the end of January, 1944 Col. Kitab of the Hikari Kikan, gave a lecture in Japanese, encouraging the I.N.A. men to fight against the British, at the Mental Hospital Camp where Serajul along with other members of the Intelligence group attended.

On 1.2.44 Serajul Islam left Mingladon for Arakan. in a party of 40 men. On 10.2.44 they reached Kindaung, which was then the I.N.A. Head Quarters in Arakan.

Intelligence Bureau,

Government of India.

New Delhi-3; dated 29 NOV 1947

My dear Basu,

Please refer to this office letter No. KD-1-III,  
dated the 17th Aug., 46 and subsequent letter No.  
MSS/I/41(9), dated the 23rd Sept., 46 from the Director,  
Malayan Security Service, Singapore enclosing the Interro-  
gation Report of Provat Kumar Basu.

Mr. P.K.Basu was granted passport No. 1716 dated the  
10th Oct., 47 by the Immigration Officer, Singapore for  
travel to British North Borneo, Siam, Burma, Ceylon,  
Egypt, Iraq and Iran. He has an import and export business  
in Singapore and is said to be going to British North  
Borneo to take delivery of gunny bags shipped to him  
from Calcutta. He is reported to be interested in the  
formation of a Malayan Branch of Socialist Party of India.  
It is possible that his business travels may bring him  
to India in the near future in which case he will  
certainly contact S.C.Bose, members of the Forward Bloc  
and possibly J.P.Narain and other Socialist Party leaders.  
You may perhaps care to have a look-out kept for him.

Yours sincerely,

S. Bala Krishna Shetty
